4. If a statement specified by 37 CFR 1.97(e) is required, the attorney or agent signing below hereby states that:

- ☐ each item of information contained in this information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement; or

- ☐ no item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in this information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.

5. ☐ A concise explanation of the relevance of each document not in the English language and/or selected documents in the English language is set forth below:

Additional Comments:

The Applicants wish to draw the Examiner's attention to the co-pending applications, expired applications, and/or granted patents listed in the following table, each of which has been assigned to the Assignee of the Present Application. The listed matters and prosecution histories thereof may potentially be relevant to the Present Application. For example, the prosecution histories may contain office actions, attorney arguments, allowed claims or indications of allowable subject matter, and/or cited references that the Examiner may consider to be relevant and/or material to the Present Application. The Applicants believe that all such potentially relevant portions of the prosecution histories of the listed matters, where applicable, have been and/or are being submitted to the Patent Office for consideration as of the date of the present filing. However, the Applicants encourage the Examiner to review any further activity that may arise in these cases prior to the issuance of a Notice of Allowance in the Present Application. The Applicants understand that any such further activity in these matters is available for the Examiner's review via the IFW System.
